1

## Brief Introduction

## **Trumony Aluminum Limited**

**Trumony=Trust in Harmony  
we care what our clients care.**

Trumony Aluminum Limited is a professional supplier for aluminum materials. We were established in 2006, by the constant efforts for more than ten years, we have become one of the global leading and most specialized suppliers in the market of automobile parts, heat exchanges, cables, electronics, and so on.

## Heat exchange market

- 1、 Automobile heat exchange  
(Radiator, Condenser, CAC, Evaporator, Heater, Water cooling plate)
- 2、 Industrial heat exchange  
(Air-cooling tower, G-type finned tube, HVAC, Cold-chain transport)
- 3、 Household heat exchange  
(Air-conditioner, Refrigerator)

## Automobile parts market

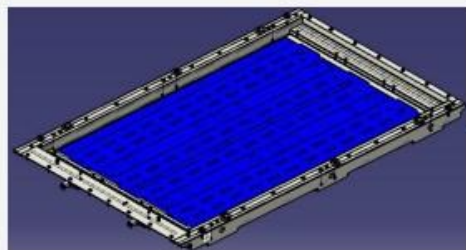

- 1、 Four doors, two covers, roof skinning
- 2、 Engine heat shield
- 3、 Panels, leaf plates
- 4、 Internal stamping
- 5、 Aluminum alloy plate
- 6、 Battery Cooling

## Electronic & Cable market

- 1、 Electronics housings
- 2、 Electronics borders
- 3、 Electronics internal supports
- 4、 Electronics base board
- 5、 Other stamping, CNC parts
- 6、 RF cable armor
- 7、 EHV cable armor
- 8、 Medium and low voltage cable armor
- 9、 Coaxial cable shielding

Products for your reference

Provide the following power cell liquid cooling panel

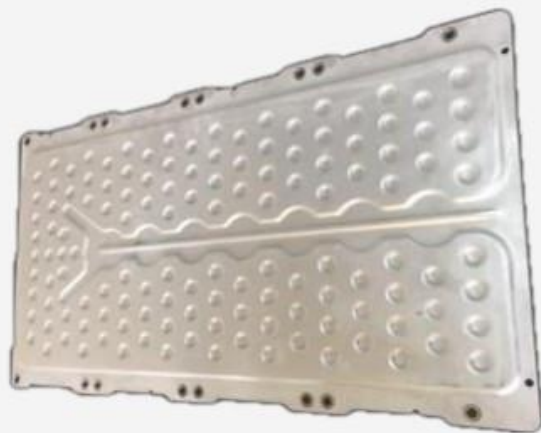

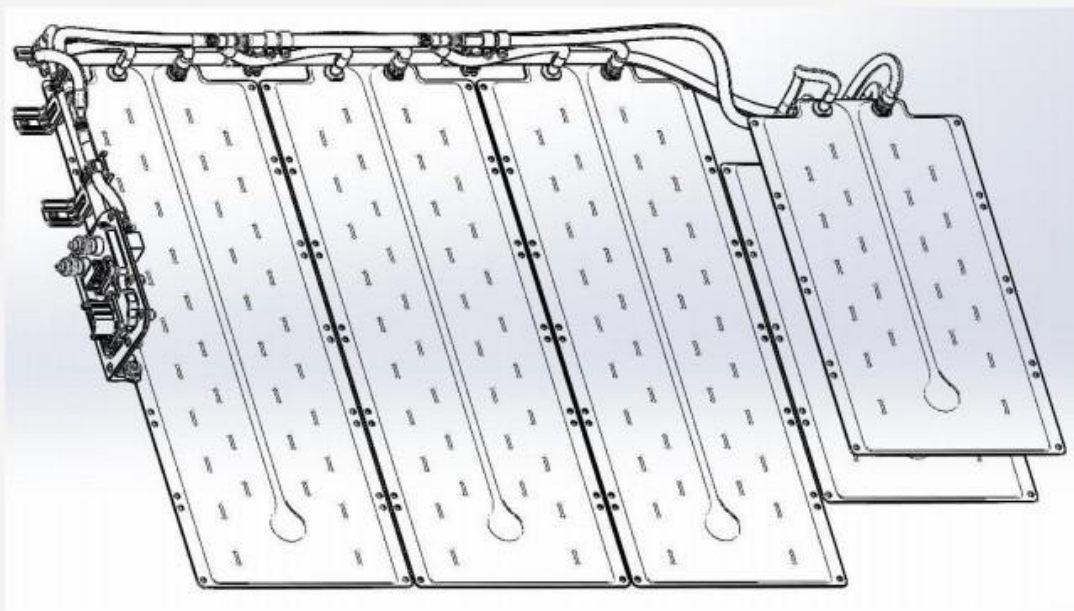

## Some Products for your reference

### New energy enterprise Battery Package Liquid Cooling Project

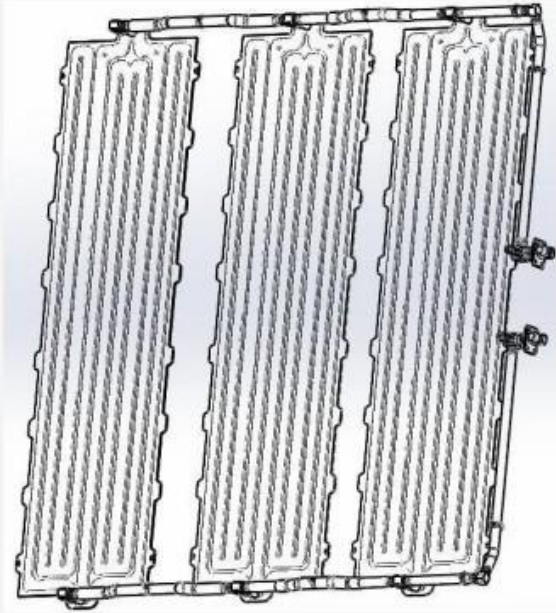

## Some Products for your reference

---

### New Power Car Battery Pack Liquid Cooling Project

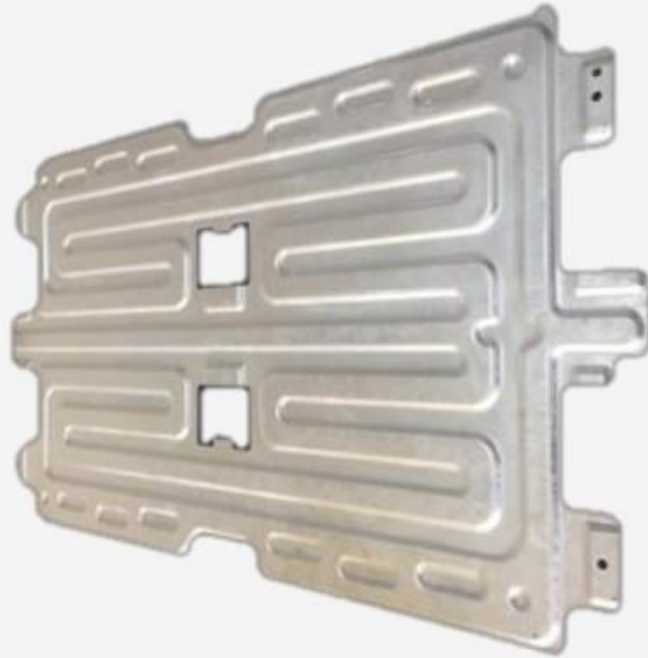

## Some Products for your reference

---

### Battery Package Liquid Cooling Project for New Power Car

## Some Products for your reference

---

### Cylinder Battery Liquid Cooling Project of New Energy Automobile

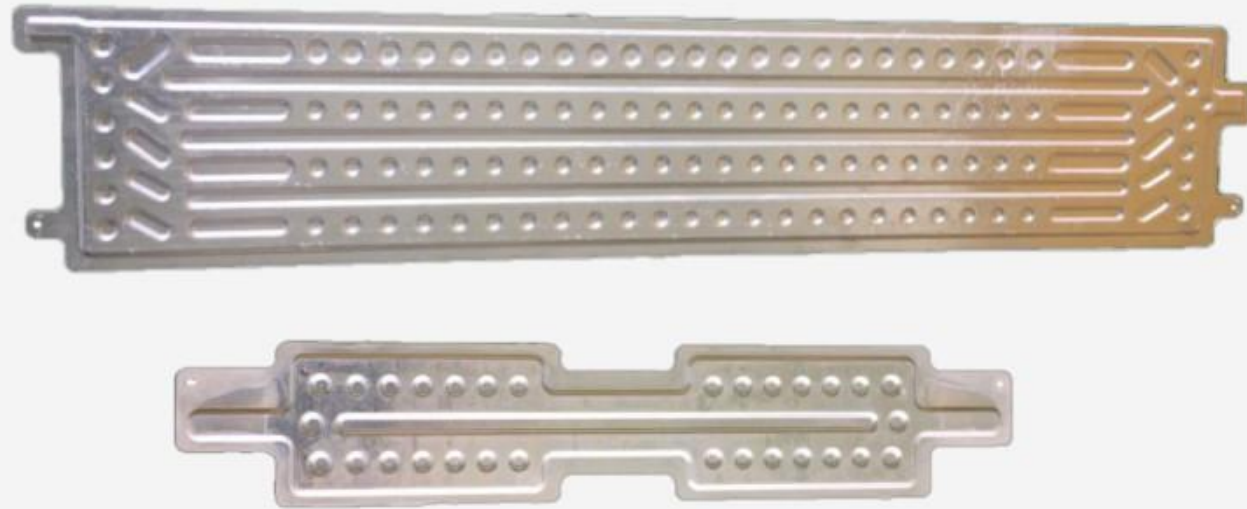

## Some Products for your reference

---

### Battery Package Liquid Cooling Project for New Power Car

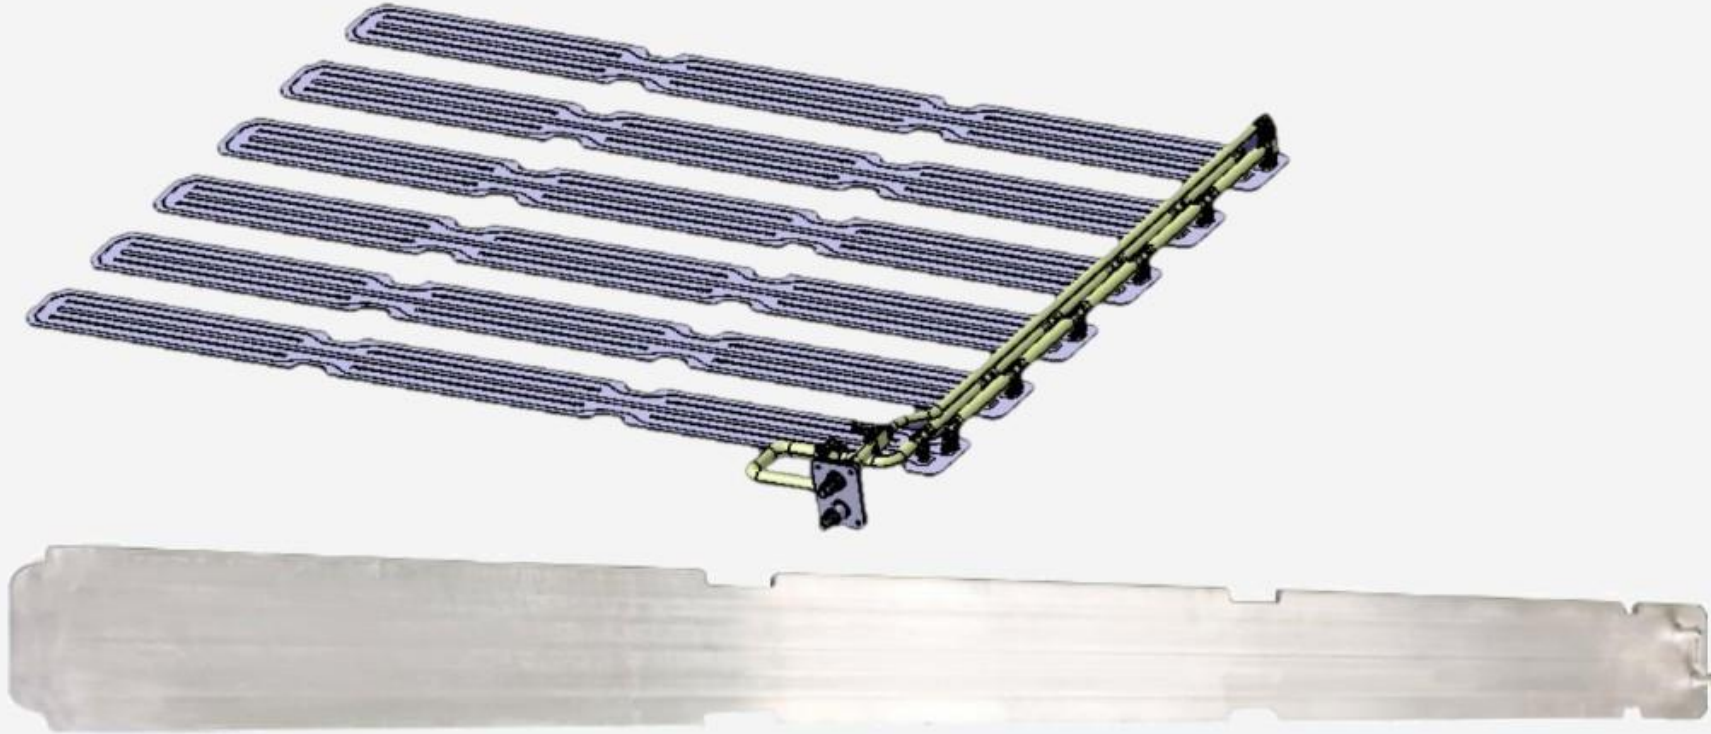

## Some Products for your reference

---

### Extrusion Brazing Cold Plate Project for New Energy Enterprises

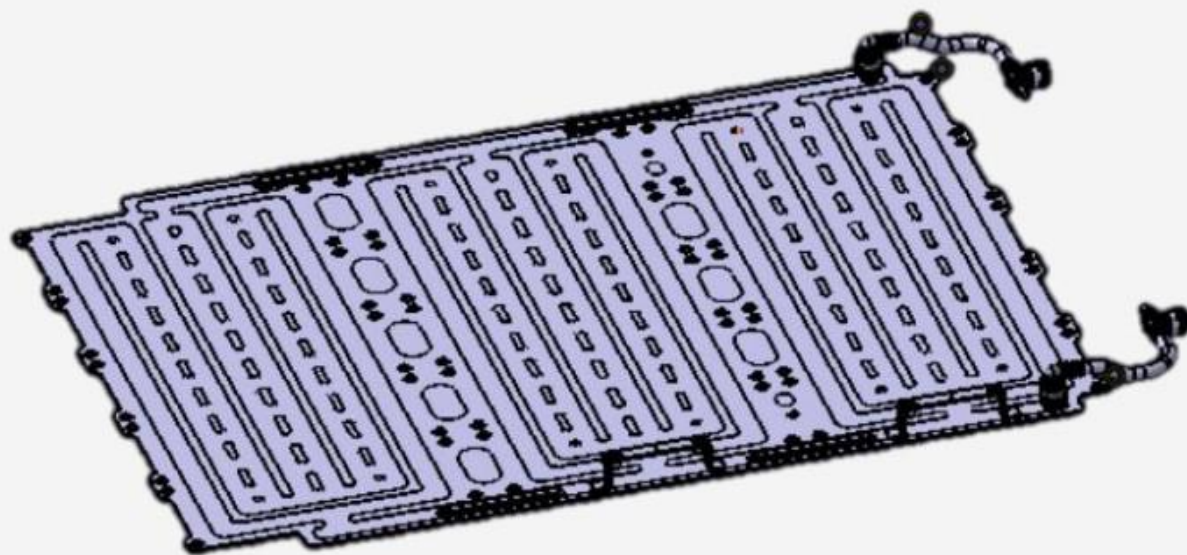

## Some Products for your reference

---

### Power Pack Cooling Project for New Energy Automobile

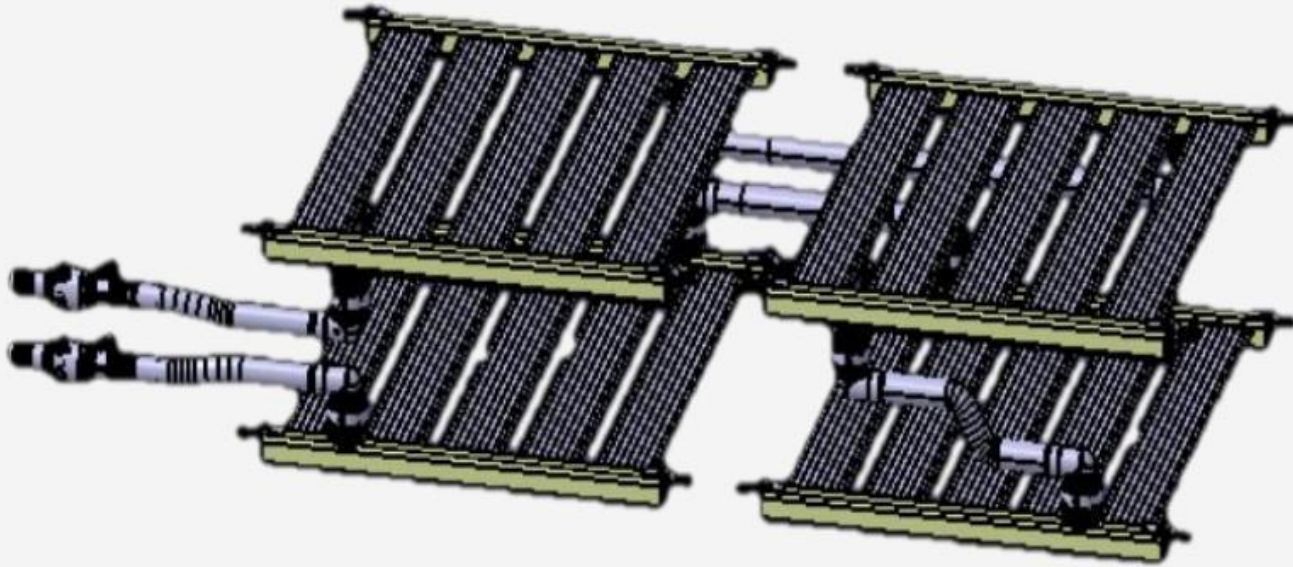

## Some Products for your reference

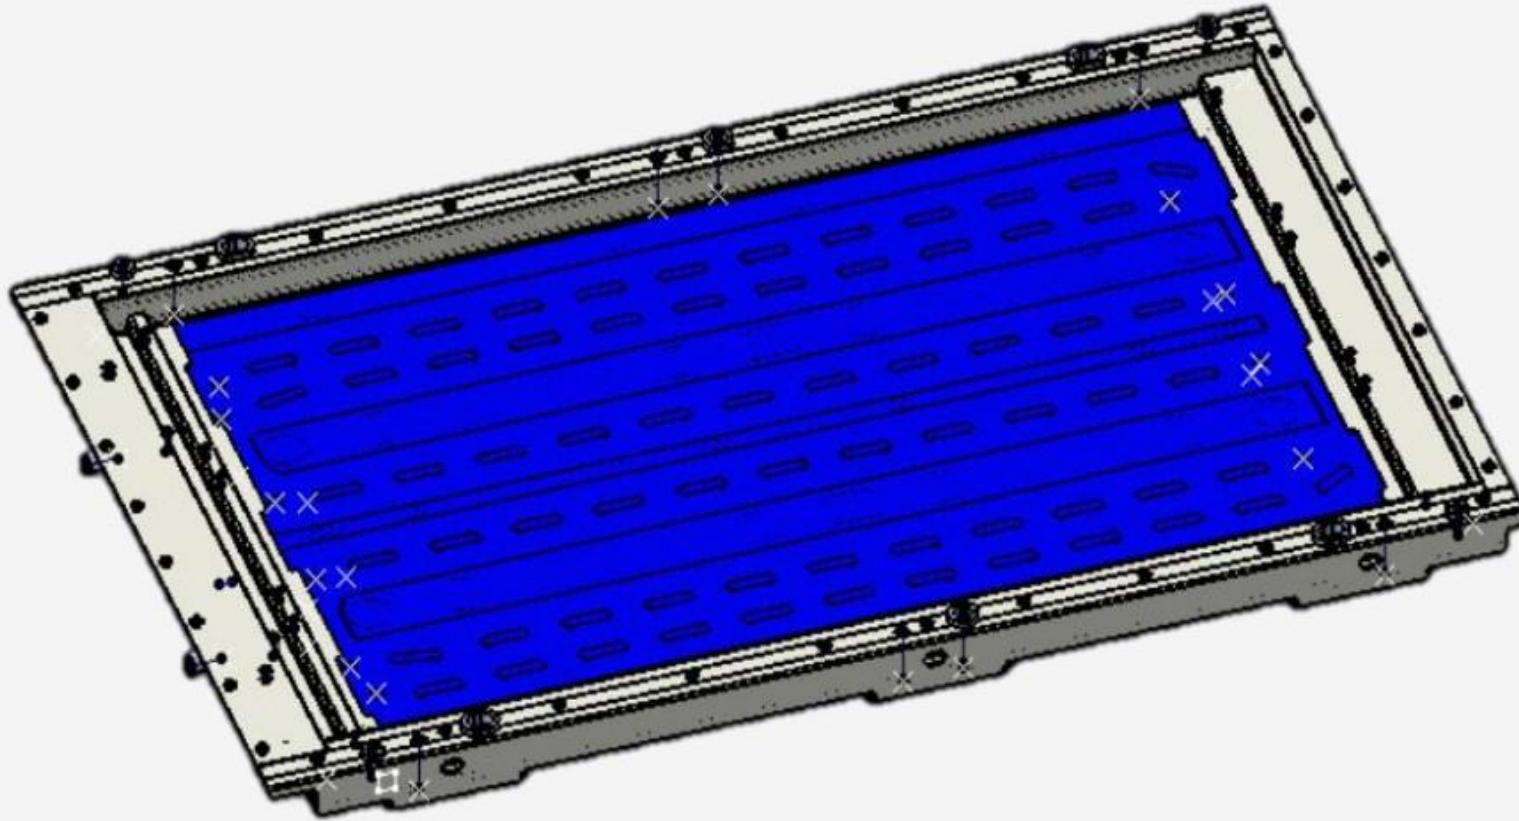

---

### Battery Package Liquid Cooling Project for New Energy Enterprise

## Some Products for your reference

### Battery Package Brazing Box Project for New Energy Enterprise

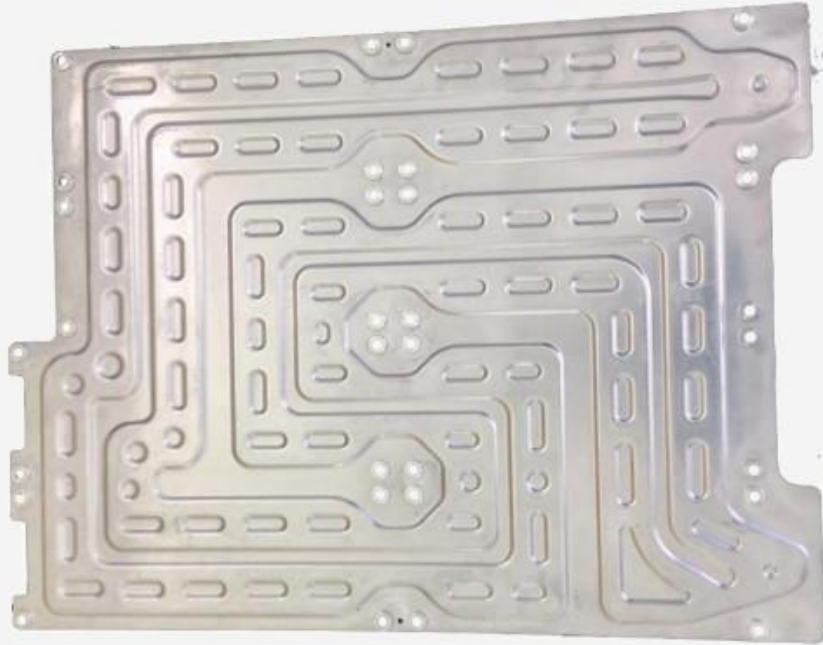

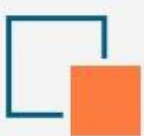

## Some Products for your reference

---

### Battery Package Liquid Cooling Project for New Energy Enterprise

## Some Products for your reference

---

### Battery Package Liquid Cooling Project for New Energy Enterprise

Some Machines in Our Company

## Fully Automatic Brazing Line Continuously

## CNC Machines

## Some Machines

### Automatic Parallel Flow Preloader

### CNC Cutting Machine

## Some Machines

### Hydraulic Pressing Machine

### Ultrasonic Cleaning Machine

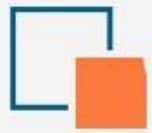

## Some Machines

**Fully Automatic  
Circular Argon Arc Welding Machine**

**Riveting Pressing Equipment**

## Some Machines

### Automatic Welding Spray System

### Punch

### Vacuum Helium Detection System

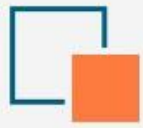

## Some Machines

### Air Impermeability Testing Equipment - Testing in Wet Environment

### Air Impermeability Testing Equipment - Testing in Dry Environment

## Flow Internal Decay Experimental System

## Some Machines

### Tension Measuring Equipment for Materials

### Spectral Detection Equipment for Material Composition

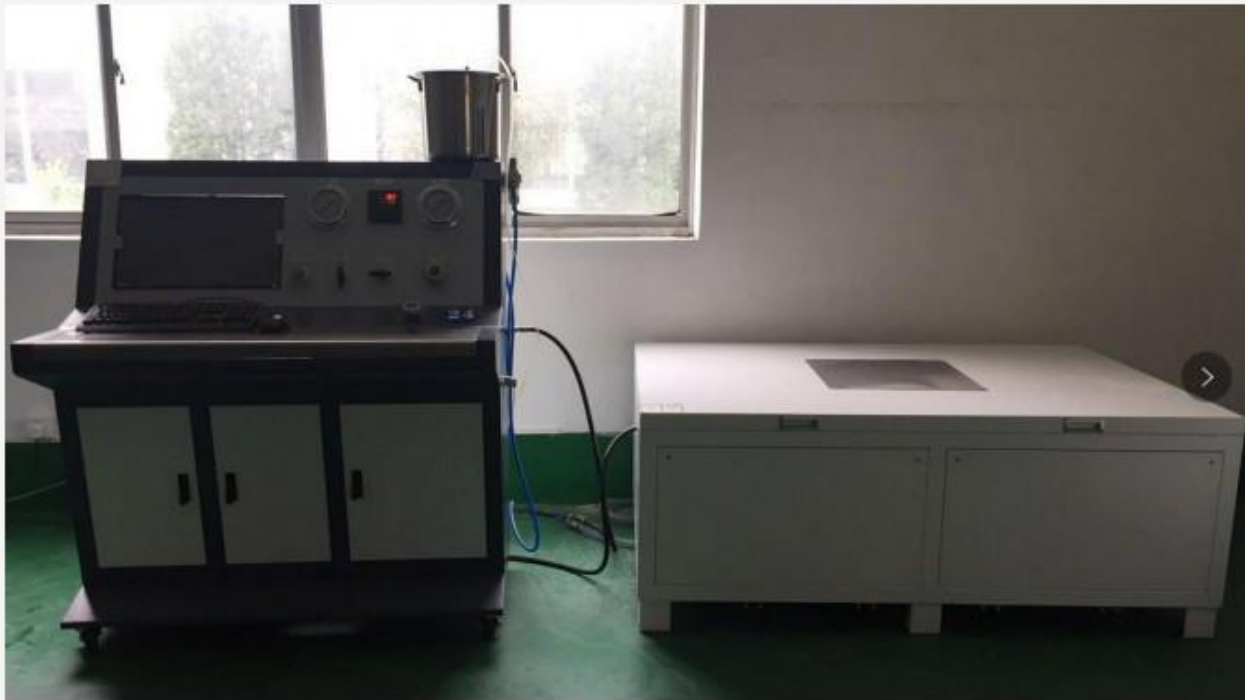

## Some Machines

### Pressure and Blasting Testing Equipment

### Salt Spray Testing Equipment

## Some Machines

### Size Measurement Equipment -Image Mapping Apparatus

### Material Property Testing Equipment - Hardness Equipment

## Pressure Pulse & Temperature Pulse Testing Equipment

# Thank you

Looking forward to working with you in near future
