宁波佳必可食品有限公司
Tropical Food Manufacturing (Ningbo) Co., Ltd.

Good Quality, Reasonable Prices Favourable Credit

Did you know...
Who we are?

Established in Jan 2003, Located in Ningbo, China.

More than 10 years experience in the processing of canned seafood products. Product exported to USA, South America, South Africa, Middle East, Russia, Pacific Island countries and regions etc.

Our factory is perfectly located close to the well-known Ningbo international port with rapid growth of the transport system and communication network in the city. These would enable the company to ensure all raw materials received are in fresh condition so that all products can be promptly delivered to domestic and all over the world.

we are linked to the world of seafood network where we are part of Topical Group- with factories in Thailand, Chile, Australia, Indonesia and Malaysia. We are in this business for more than 30 years.

What's so GOOD about us?

- High-quality seafood
- High-quality Packaging
- Reasonable Price
- Quality Assurance
- On-time Delivery
- Passionate Innovation
