

3203M 32" LCD

Horse racing touch display

GreenTouch's 3203M Marquee touch monitor is a touch solution designed for automated information systems, gaming and entertainment, and complements GreenTouch's line of touch monitor products. Based on the "Designed for Touch" philosophy, the 3203M Marquee Touch Monitor delivers the proven GreenTouch professionalism and reliability. Designed and built by GreenTouch, this model has a long life cycle and can supply long-term needs. Even if a new generation of LCD panels is replaced in the future, there is no need to make external changes.

The 3203M racehorse adopts the industry-leading GreenTouch touch technology and projected capacitive touch technology. This model has global regulatory agency certification, as well as GreenTouch's warranty and after-sales service. The 3203M Happy Horse Touch Monitor is a cost-effective touch solution for system integrators and value-added resellers (VARs).

Applications

- Information Kiosk
- Game and Entertainment
