### Conclusion:

This certificate makes no other representations or warranties, nor does it make any representations and warranties to any person or entity other than the named certificate holder. Cytech assumes no liability to any person or entity in connection with the foregoing. The U.S. Food and Drug Administration does not issue a certificate of registration, nor does the U.S. Food and Drug Administration recognize a certificate of registration. Cytech is not affiliated with the U.S. Food and Drug Administration.

Please noted that: FDA registration means the manufacturer registered the factory and certain products with FDA, which does not mean that their products meet certain quality specifications unless the manufacturer shows you the quality certificates.
