

QINGDAO LANGKE CO., LTD  
ROOM 409 SHANDONG INTERNATIONAL TRADE BUILDING  
NO.51 TAIPING ROAD,QINGDAO CHINA TEL:0086-532-82972905

## CERTIFICATE OF ANALYSIS

**PRODUCT NAME:PIGMENT RED 254**

| TEST ITEMS              | INDICATOR VALUE                           |              |
|-------------------------|---|--------------|
|                         | SPECIFICATIONS                            | TEST RESULTS |
| Shade                   | Similar to stand sample(tiny)             | Similar      |
| Coloration power(%)     | Corresponding to standard sample(98-103%) | 101          |
| Moisture(%)             | ≤ 1.5                                     | 0.72         |
| Oil absorption(%)       | ≤ 40                                      | 35           |
| Water Soluble Matter(%) | ≤ 1.5                                     | 1.1          |
| Residue (80mesh)(%)     | ≤ 5.0                                     | 2.3          |
| Conductivity            | ≤ 500                                     | 272          |
| PH Value                | 7-8                                       | 7.2          |
| Filter Index (bar/gm)   | ≤ 2.0                                     | 1.7          |
| Result                  | Qualified                                 |              |
