JINGDAO ELECTRICAL APPLIANCES CO., LTD Email: sales@ewong-tech.com

EWONG(JINGDAO ELECTRICAL APPLIANCES CO., LTD) is a professional small household appliances and commercial appliances ODM and OEM provider.It was founded in 2009.Located at Zhongshan,Guangdong,China,we are a specialist focusing on designing, manufacturing and distributing commercial appliances and small home appliances.

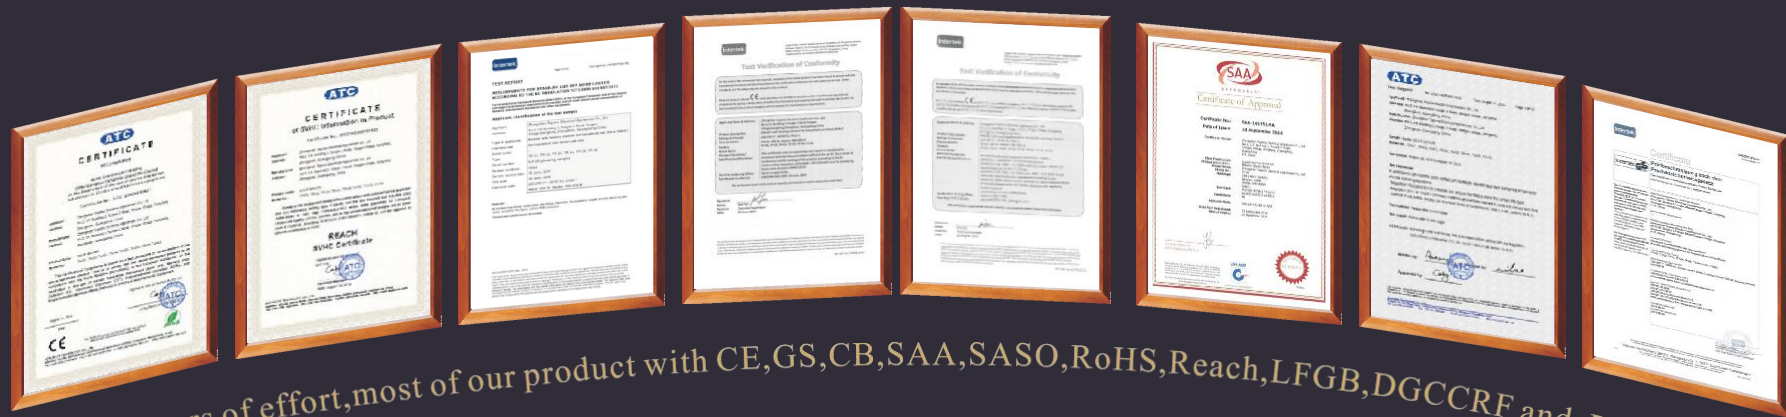

Our product range include Air Fryer Oven, Soup maker, Pressure Cooker and heater,Robot vacuum cleaner and other home appliance. With our fashion designs, superior quality, extraordinary brand recognition, and high quality after sales service, our products have been well accepted by many domestic and foreign OEM/ODM clients. With experienced sales team, Research and Developed team of 12-years experience, and strong QC team to ensure superior quality, we could afford to provide better salaries to our workers and year-end bonus and these in turn maintained a very stable work force for us, which result in very well trained and skilled workers,the highest production efficiency among all our peer competitors,and of course,the lowest costs but with the best and stable quality.We have been selling our products to Australia, South East Asia and Europe.We have established good partnership with some overseas clients.

As usual, we will keep improving ourselves with focusing on international market trend, new technology and process, and top class quality standard. Aiming ourselves to be among the top manufacturers of the small household appliances, to be on the same page of the globalization trend, Ewong is more than willing to build up partnerships with both domestic and international clients so that we can develop and grow together.Therefore,your attention on our products and ourselves, and your participation in our mutual development will be highly appreciated.

Electric Rice cooker

FG-01 Mini cooker

Capacity: 1.2L/250W

Mechanical /electronic switch
Product size: 190*190*200mm

Advantage

- *.Good to cook 1-3 persons rice/food
- *.Voltage: 110V/220V, 50-60HZ 1.2kg/PC
- *.Non stick :110±10Grams Single spray
- *.The cooker safe and durable
- *.To cook rice,congee,noodles , egg and so on to steam,boil, cooker stew.....
- *. Very popular for single or couple men
- *. The most popular commercial gifts
- *.Master box:640*436*228MM
- *.6PCS/CTN G.W: 9KG, N.W: 8KG
- Cable: Copper line 3*0.75 0.8M
- Housing: High temperature resistant pp
- Pra and base: High temperature resistant pp
- Configuration:rice scoop and measuring cup

FG-02 Rice cooker

Capacity: 1.5L/300W

Press key switch
Product size: 220*210*196mm

Advantage

- *.Good to cook 2-4 persons rice/food
- *.Voltage: 110V/220V, 50-60HZ 1.8kg/PC
- *.Single spray Pot Aluminum:250±10Grams
- *. Optional:ss Inner pot to reduces sugar
- *.The cooker safe and durable
- *.To cook rice,congee,noodles ,soup,hot pot, egg and so on, to steam,boil, cooker stew, slow cook.....
- *. More function,reservation,keep warm, Energy saving mode ,over heat protection, work safe
- *.Master box:640*436*228MM
- *.4PCS/CTN G.W: 8.6KG, N.W:9.6KG
- Housing: High temperature resistant pp
- Pra and base: High temperature resistant pp
- Configuration:rice scoop and measuring cup

FG-03 Rice cooker

Capacity:2L/300W

Big touch IH screen
Product size: 260*240*220mm

Advantage

- *.Good to cook 2-5 persons rice/food
- *.Voltage: 110V/220V, 50-60HZ 2.53kg/PC
- *.Single spray Pot Aluminum:410±10Grams AND ss inner pot, two pot
- *. Optional:ss Inner pot to reduces sugar
- *.The cooker safe and durable
- *.To cook rice,congee,noodles ,soup,hot pot, egg and so on, to steam,boil, cooker stew, slow cook,.....
- *. More function,reservation,keep warm, Energy saving mode ,over heat protection, work safe
- *.Master box:612*272*512MM
- *.4PCS/CTN G.W:12KG, N.W:11KG
- Housing: High temperature resistant pp
- Pra and base: High temperature resistant pp

Keep warm product Electric Desk heater

EWH01 Desk heater

Power: 800/1200W

Two gear heating

Product size: 13*12*20cm

Advantage

- *. PTC heating,overheat protection, work quiet.
- *. Large hot air outlet, instant get warm and hot.
- *. One key and Two gear heating air optional.
- *. Novel and beautiful design, easy to operate.
- *. Work quietly and safe, natural warm breeze.
- *. Voltage: 110V/220V; Power: 1200W;Noise<50db.
- *. No radiation. high effective bring warm air.
- *. Overheating protection , anti falling design.
- *. Power off if falling down, very safe.
- *. ABS &PP Fire-proof material, Durable 300°C
- *. Good for desk in office/home/study
- *. Warm up around air quicily and warm hands
- *. Carton:73*44*48cm 30PCS/CTN

EWH02 Penguin heater

Power: 500/800W

Two gear heating

Product size: 17.5*11.5*21.5cm

Advantage

- *. PTC heating,overheat protection, work quiet.
- *. Novelty penguin design, 2s rapid heating
- *. One key and Two gear heating air optional.
- *. Work quietly and safe, natural warm breeze.
- *. Double outage, constant temperature.
- *. Voltage: 110V/220V; Power: 800W;Noise<50db.
- *. No radiation. high effective bring warm air.
- *. Overheating protection , anti falling design.
- *. Power off if falling down, very safe.
- *. ABS &PP Fire-proof material, Durable 300°C
- *. Good for desk in office/home/study
- *. Warm up around air quicily and warm hands
- *. Carton:68*49*57cm 30PCS/CTN

EWH03 Desk heater

Power: 450/800W

Two gear heating

Product size: 14*14*10cm

Advantage

- *. PTC heating,overheat protection, work quiet.
- *. Large hot air outlet, instant get warm and hot.
- *. One key and Two gear heating air optional.
- *. Novel and beautiful design, easy to operate.
- *. Work quietly and safe, natural warm breeze.
- *. Voltage: 110V/220V; Power: 1200W;Noise<50db.
- *. No radiation. high effective bring warm air.
- *. Overheating protection , anti falling design.
- *. Power off if falling down, very safe.
- *. ABS &PP Fire-proof material, Durable 300°C
- *. Good for desk in office/home/study
- *. Warm up around air quicily and warm hands
- *. Carton:Carton: 63*33*55cm 30PCS/CTN

Keep warm product Electric Desk heater

EWH04 Sky eye heater

Power: 350-400W

One gear heating

Product size: 13*13*23cm

Advantage

- *. PTC heating,overheat protection, work quiet.
- *. Cylindrical design, instant get warm and hot.
- *. Novel and beautiful design, easy to operate.
- *. Work quietly and safe, natural warm breeze.
- *. Voltage: 110V/220V; Power: <400W;Noise<50db.
- *. No radiation. high effective bring warm air.
- *. Overheating protection , anti falling design.
- *. Power off if falling down, very safe.
- *. ABS &PP Fire-proof material, Durable 300°C
- *. Good for desk in office/home/study
- *. Warm up around air quicily and warm hands
- *. Carton:67*47*66cm 50PCS/CTN

EWH08 Square Heater

Power: 450/800W

Two gear heating

Product size: 14*14*10cm

Advantage

- *. PTC heating,overheat protection, work quiet.
- *. One key and Two gear heating air optional.
- *. Work quietly and safe, natural warm breeze.
- *. Double outage, constant temperature.
- *. Voltage: 110V/220V; Power: 800W;Noise<50db.
