

# Hardware

## Usage

When adjusting the level, the bubble in the vial must be placed in-between the two lines to ensure the level has reached the correct angle.

### HW-01

pcs/ CTN.

9" BILLET TORPEDO LEVEL  
(Multiple angles auto-lighting)/ 1pc  
Material : Alloy Aluminum / 6061, T-6  
LED lighting  
Polished, Anodized Mat Finish : Laser Logo  
with 4 magnets N-35, Dia.14mm\*3mm  
position : 45° / 90° / 180° / Pitch Vial
