KEY FUNCTION

Product name:	Display Macro Mouse	Product interface:	USB
Product model:	J500	Positioning method:	optical positioning
Product size:	123.5 * 68 * 40.6mm	DPI:	6 files up to 10000DPI
Product weight:	140g plus or minus 5g	Number of buttons:	9
Positioning chip:	Pixart 3325	Lighting:	RGB full-color lighting.
Main control chip:	HS 1008	LCD:	240 * 240 full color
Wire length:	1.8M	Acceleration:	30G.

PARAMETER

1. Product model : J500 Display macro programming gaming mouse
2. 100% new mouse game
3. High-end brand mechanical macro definition gaming mouse
4. Human body engineering design
5. 7 programmable keys
6. Cool LED variable light effect
7. 6-level adjustable DPI, Max.10000 DPI
8. Voltage rating / electric current: DC 5V / 100mA
9. USB plug and play
10. Switch life : 20 million cycle
11. Cable length: 180cm
12. Support Windows 2000 / XP / win7 / win8 /win10 Vista 32bit IOS or latest.
13. Packing list:

- 1 x gaming mouse
- 1 x User manual

FEATURE

1. 7 customizable macro programming.
2. Six-speed variable speed adjustable DIP (1000-2000-3000-4000-6000-10000).
3. Game chip micro switch.
4. RGB cool horse racing light effect design (9 RGB light effects can be set by driving)
5. Display personalization (photo) design(Can hold 12 photos, one-click switch)

As shown:

- Can hold 12 photos
