## CS20 Enduro Electric Bike

No.	Motor Power	Photo	Basic Specification	Color	Available Upgrade Options
1	3000W Bike		<b>72v 3000W 26AH China battery</b> <b>19 inch motorcycle tires</b>  Aviation grade aluminum 6061 frame, 60A controller, Front and rear hydraulic disc brake 203mm, Air and oil spring front fork, KS291 adjustable oil spring rear shock, SW900 LCD display, motorcycle seat, PAS, 5A charger, Maximum speed 80km/h, Range 70 to 80km,	black/ white/ red/ green/ blue/ yellow	KKE front fork DNM front fork DNM rear shock Headlight Rear brake light Fender 10A charger 19" motorcycle tire and KKE front fork
2	5000W Bike		<b>72v 5000W 26AH China battery</b> <b>19 inch motorcycle tires</b>  Aviation grade aluminum 6061 frame, 80A controller, Front and rear hydraulic disc brake 203mm, Air and oil spring front fork, KS291 adjustable oil spring rear shock, SW900 LCD display, motorcycle seat, PAS, 5A charger, Maximum speed 80km/h, Range 65 to 75km.	black/ white/ red/ green/ blue/ yellow	KKE front fork DNM front fork DNM rear shock Headlight Rear brake light Fender 10A charger 19" motorcycle tire and KKE front fork 20*4.0 inch Kenda fat tires and KKE front fork
3	5000W Bike		<b>72v 5000W 41.6AH China battery</b> <b>19 inch motorcycle tires</b>  Aviation grade aluminum 6061 frame, 80A controller, Front and rear hydraulic disc brake 203mm, Air and oil spring front fork, KS291 adjustable oil spring rear shock, SW900 LCD display, motorcycle seat, PAS, 5A charger, Maximum speed 80km/h, Range 100 to 110km.	black/ white/ red/ green/ blue/ yellow	KKE front fork DNM front fork DNM rear shock Headlight Rear brake light Fender 10A charger 19" motorcycle tire and KKE front fork 20*4.0 inch Kenda fat tires and KKE front fork

4	<b>8000W Bike</b>		<p><b>72v 8000W 41.6AH LG or Samsung battery 19 inch motorcycle tires,</b></p> <p>Aviation grade aluminum 6061 frame, 150A Sabvoton controller, 19 inch motorcycle tires, Front and rear hydraulic disc brake 203mm, KKE front fork, DNM rear shock, UKC colored display, motorcycle seat, PAS, 5A charger, Headlight, Maximum speed 100km/h, Range 90 to 100km.</p>	black/white/red/green/blue/yellow	<p>DNM front fork Headlight Rear brake light Fender 10A charger</p>
5	<b>12000W Bike</b>		<p><b>72v 12000W 41.6AH LG or Samsung battery 19 inch motorcycle tires</b></p> <p>Aviation grade aluminum 6061 frame, 150A Sabvoton controller, 19 inch motorcycle tires, Front and rear hydraulic disc brake 203mm, KKE front fork, DNM rear shock, SW900 LCD display, motorcycle seat, PAS, 5A charger, Headlight, Maximum speed 100km/h, Range 90 to 100km.</p>	black/white/red/green/blue/yellow	<p>DNM front fork Headlight Rear brake light Fender 10A charger</p>

Package size:

One package 1640\*870\*300mm 70-95KG/PCS

\*\*\*Range of per charge may vary depending on rider weight and road conditions\*\*\*

\*\*\*Maximum speed may vary depending on rider weight and road conditions\*\*\*
