Specifications:

Model	YC300 (V3)
Screen	Touch screen, 13.3 inches
Displayer Resolution	1920*1080
Video Input	HDMI input and Wireless network stream input
Video Output	1*HDMI output, 1*network stream output
Audio Input	Wired audio input: 1*Line in, 1*Mic in Wireless audio input: Built-in wireless audio module
Audio Output	1*Line out
USB Port	USB 3.0*1, USB 2.0*2
Camera Control	Zoom in/out, Up/Down/Left/Right, Preset
Wireless Network	5.1-5.9 GHz
Wireless Transmission Distance	≤300 meters outdoor without occlusion ≤150 meters indoor without occlusion
File Format	MP4
Storage	512GB SSD
Power Supply	DC 12.6V / 5A
Dimensions	L*W*D: 325mm*223mm*(Bottom:106mm, Top:25mm)
Working Temperature	-10°C-45°C
Working Humidity	10%-90%

Interface:

No.	Component	Statement
1	LAN	RJ45, Network connection
2	LINE-IN	Local audio input
3	MIC-IN	Local audio input
4	LINE-OUT	Local audio output
5	HDMI-IN	PC/Laptop video signal input
6	HDMI-OUT	Output the live video
7	USB-3.0	Connect with USB device
8	USB-2.0	Connect with Keyboard/mouse
9	Reset	Reset to factory mode, Reserved
10	DC-IN 12V	Power input
