

1325F1-ML Engraving Machine

Performance Parameters

Name	SUBA-1325F1-ML		
Lathe Bed	Cast		
Beam	Steel Alloy		
X Y Z Guide Rail	Square Rail		
X Y Transmission	Imported Rack Gears		
Z Transmission	Imported Ball Screw		
Spindle Motor	3.0KW spindle cooling by air		
Inverter	3.7 KW		
Control System	DSP system		
Typeset Software	Type (English)/Ucancam		
Table	Aluminum table		
Motor	Stepper Motor		
Driver	Stepper Driver		
Dust Collector	3.0KW		
Delivery time	25 days		
Application	Mainly used for production of closet doors, solid wood processing, furniture, etc. Also can be used for cutting and production of MDF		
Quotation(FOB Qingdao)	1325	1300 x 2500 x 200MM	
Warranty	One year (Spindle motor is half year. The blades, sensor, power cable are expendables, not include.)		
Payment	50% prepayment by T/T, the balance to be paid against the board.
