

KNOW YOUR FLAVORS,

OBEY YOUR THIRST.

ZGAR-High Quality E-cigarette Supplier

We are a professional E-cigarette manufacturer and centre on research, developing, high quality and safety, and focus on better vaping. Our factory can offer OEM & ODM works. And you can create your own brand.

Zgar 2021's latest electronic cigarette uses high-tech temperature control, food grade disposable pod device and high-quality material. Compared with the old model, the smoke of the Aurora series is more delicate and the taste is more realistic, bigger battery capacity and longer battery life.

We equip with breathing lights in the vape pens and pods, you will become the most eye-catching person in the party with our atomizer device vape.

Our vape pen and pods are matched with most of the brands on the market. You can use other brand's vape pen with our vape pods.
